

What Can I Do In My Zone?

O Zone District

Intent:

The O district is intended for low-impact non-residential and civic uses on large lots. Lands designated as O may be done in conformity with the comprehensive plan for the city to protect lands from premature development and to properly guide growth of the areas surrounding the city that are important for future urban development of the city. The O district is designed to function as a “holding zone” for future planning and development of agricultural lands without preference for any specific urban use.
